Washington Township Mission Statement

The purpose and focus of the Washington Township Government is to provide for and promote the general health, safety and welfare of the residents and employees to create an environment focused on building for the future.

December 4, 2023

Dear Board of Trustees and Fiscal Officer:

In accordance with Section 505.032(F), of the Ohio Revised Code, the 2024 Budget is hereby presented. Budget data came from expenditure information shown in the 2024-2028 Financial Plan, as well as staff projections on personnel and operating costs. Since the 2024 Budget is prepared for adoption prior to the new calendar year, revenues, and expenses for 2023 are estimated. Estimates were derived after reviewing year-to-date actual numbers in financial reports. Budget amounts for 2023 show the original budget as approved by the Trustees for 2023, prior year-end encumbrances and intra-fund transfers.

Washington Township received the second of two \$3.5 million from the American Rescue Plan for pandemic relief. Given the significant revenue loss in the Recreation fund, the Township has transferred all these monies to the Recreation department for revenue replacement. The Recreation department replaced its sole property tax levy with an increase from 1.00 mills to 1.50 mills on May 2, 2023. The increase will produce an additional \$1.3 million each year for the Recreation fund. Washington Township plans to use much of these proceeds to implement the Park Master Plan, bringing great improvements to Countryside Park.

Staffing levels remain mostly constant throughout Washington Township. The fire department does plan to make six additional hires in 2024 to improve staffing and call reliability. The fire department's 4.65 mill levy was successfully renewed on May 2, 2023. The police department has added an SRO, sharing the cost with Incarnation and plans to add a secretary. New part-time positions are budgeted in information technology and human resources.

The 2024 budget includes funding for several major capital projects. Several major projects are planned at Countryside Park, outside the recreation center, including construction of Hillside Shelter, improvements to Bass Lake, Turtle Pond and Heron Pond. The township also plans renovations to the rec center locker rooms. Funding for street and curb improvement and streetscape continue to be robust. The fire department will order a new engine in 2024 and upgrade its training tower.

As always, the Township continues to be prudent with its resources. All Township projects have been financed debt free, utilizing cash reserves and grant funding opportunities. My sincerest thanks are extended to all those who assisted in another successful, yet challenging year at Washington Township. I would like to specifically recognize the efforts of the leadership team and finance department staff who contributed significantly to this document.

Sincerely,

Mike Thonnerieux
Township Administrator

WASHINGTON TOWNSHIP RECREATION FUND DETAIL EXPENSE SUMMARY

WASHINGTON TOWNSHIP PARKS AND RECREATION DEPARTMENT

The Recreation Department currently encompasses the Washington Township Recreation Center, Rec West, Enrichment Center, Town Hall Theatre and Countryside Park. The department offers a wide range of sports and fitness programs as well as art, theatre, camps, teen activities, special events, and meeting/party space for groups. The Recreation Center itself is a 50,000 square foot complex, which includes a natatorium, two gyms, a fitness room, indoor running track and an indoor climbing wall. Rec West also offers a 35,000 square foot facility which is utilized for recreation programming, senior programming, parties and movie presentations. The historic Town Hall Theatre is also a quality space for children's theatre and educational programs. Countryside Park is a 26 acre park behind the Recreation Center with a fitness trail, play fields, historic log cabin, spacious picnic shelter and three ponds.
