What will my child do at camp?

Each camp is unique and will have its own adventures planned. But be assured your camper will be busy all day, every day. A schedule will be emailed prior to your child's week at camp. This email will be sent to the email address on file no later than Friday at 12p for the week ahead.

My child doesn't know how to swim.

Full-day, on-site RecPlex camps will be swimming this summer during camp. Swim tests will determine the areas of the pool campers can use. Each camper will be wrist banded with the appropriate color designating the area they are permitted to swim in. For campers who prefer not to swim, they can sit out and enjoy a book, play cards or other quiet activity on the pool deck with others, supervised by our camp counselors.

Why must I show a valid photo ID at pick up?

Authorized adults need to sign children out when picking them up from camp and provide a driver's license or valid photo ID. The only adults authorized to pick up a child are those adults listed on the child's medical form. This sign-in/sign-out process is for the safety and accountability of your child.

Will my child go on a field trip?

Camps located at RecPlex EAST and WEST will travel to local destinations on field trips, except Sunrise Play. All travel schedules are tentative. While our intention is to follow the printed schedule, some changes may occur due to inclement weather or site difficulties. No refunds will be given for location or field trip changes within the weekly schedule. Woodland Play, Backwoods and Backwoods & Beyond campers will be transported by a Centerville School Bus and bus driver to their designated field trips. Camp Caravan and EXTREME Camps will utilize a 15-passenger Washington Township van driven by our trained Camp Director.

Do I need to complete a medical form?

Prior to the first day of camp, parents/guardians need to complete a "Health Profile Form" with parent/guardian original signature. This must be completed before your child(ren) can attend camp. We have partnered with ePACT. For the success of your child, the more information you can provide on the form the better. You will receive an invite to complete a health profile for your child through ePACT within 72 hours of registration.

What if my child gets sick at camp?

If a camper gets sick at camp, we have identified an area where they can rest, be watched after, and safely isolate from others. We will communicate with parents/guardians or authorized adults directly and, if necessary, arrange for the child to be taken to a healthcare facility for care.

We ask that you help us protect the health of campers and staff this summer. Any camper who is sick or was sick within 24 of attending camp should not come to camp. Thank you for your cooperation.

Whom do I call if I need to speak to a staff member while my child is at camp?

Each camp has a cell phone to be used in case of emergencies and carried by the camp director. You will receive the number prior to camp. You may text or leave a voice mail. Please leave a message with the following information:

- ✓ Your name
- ✓ Camper's name
- ✓ Your phone number
